“Software” means the Autoscripting software program, including any updates and parts thereof, whether expressed in object code, source code or otherwise. Software is copyrighted, and FEI Company (“Company”) retains exclusive right, title and interest in and to the Software and all copies or portions thereof, including all intellectual property rights. Subject to the payment of all fees due hereunder, Company hereby grants Buyer a nonexclusive, nontransferable license in perpetuity to use the Software on and for the system on which it is originally installed and generate scripts with the software for internal purposes only (and not for commercial resell or other form of distribution), subject to the provisions of this license. If Company identifies the software license as an Academic License, the Buyer must be an academic institution or other qualifying non-profit organization. Software provided through an Academic License may only be used for “Academic Use,” which means use (i) by an individual employed by (or, with respect to academic institutions, enrolled in a course of study at) an accredited academic institution, organized and operated exclusively for the purpose of education or research, (ii) at the location of such academic institution, and (iii) solely for purposes directly related to teaching, training, degree-granting programs, and research and development that are part of the instructional functions of the institution. Without limiting the foregoing, Academic Licenses may not be used for commercial, professional or productive purposes, for commercial training or any other for-profit purposes. In the event that Company determines that the use by the Buyer was not Academic Use, Company may in its sole discretion invoice the Buyer for the difference in cost of a commercial entity license Buyer understands that certain scripts may adversely impact instrument performance and Buyer takes full responsibility for any recipe it creates using the Software or any scripts it downloads. Seller does not warrant that (i) the Software will meet Buyer’s requirements, (ii) the Software will operate in combination with other hardware, software, systems or data not provided by Seller (except as expressly specified in the documentation provided with the Product), (iii) the operation of the Software will be uninterrupted or error-free, or (iv) all Software errors will be corrected. THE WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS, IMPLIED OR STATUTORY, WITH RESPECT TO THE PRODUCT. NO WARRANTIES SHALL ARISE UNDER THIS AGREEMENT FROM COURSE OF DEALING, COURSE OF PERFORMANCE OR USAGE OF TRADE. SELLER EXPRESSLY DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT AND FITNESS FOR ANY PARTICULAR PURPOSE.

The Software and documentation and any copies, translations, compilations, partial copies, modifications, improvements, enhancements and updates are proprietary to Company or its licensors, and contain copyrighted material, trade secrets and other proprietary material. In order to protect such intellectual property rights and preserve the confidentiality of the Software, Buyer may not decompile, reverse engineer, disassemble or otherwise reduce the Software to a human-perceivable form, except to the extent expressly permitted by mandatory provisions of applicable law (including national laws implementing Directive 91/250/EEC on the legal protection of computer programs) in order to gain certain information specified therein, provided that Buyer shall not exercise its rights under such laws, unless and until Buyer has first
requested the required information from Company in writing, and Company, at its sole discretion, has not complied with Buyer’s request within a commercially reasonable period of time. Buyer may not modify, network, rent, lease, loan, distribute or create derivative works (other than the scripts) based upon the Software, in whole or in part. Buyer shall not remove any proprietary notices from any part of the Software or documentation. Licensors of third party software that may be included in the Software have all the rights and benefits of Company under this license, and, to the extent permitted by applicable law, shall have no liability for any damages, whether direct, indirect, incidental or consequential, arising from the use of such third party software. Buyer shall not make Software available in any form to any third party without the prior written consent of Company, which consent may be contingent upon the payment of a transfer fee for the Software. Company reserves the right to audit compliance with the terms of this license, including without limitation whether or not the Buyer is complying with any Academic Use restrictions, if any.

IN NO EVENT SHALL COMPANY OR ITS SUPPLIERS BE LIABLE FOR SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES OR LOSSES ALTHOUGH COMPANY MAY BE INFORMED OF THE POSSIBILITY OF SUCH DAMAGES IN ADVANCE. EXCEPT AS EXPRESSLY PROVIDED HEREIN, COMPANY DISCLAIMS ALL OTHER LIABILITY TO BUYER OR ANY OTHER PERSON IN CONNECTION WITH THIS LICENSE OR THE DELIVERY OR NON-DELIVERY, SALE, MAINTENANCE, USE OR PERFORMANCE OF PRODUCT, INCLUDING SPECIFICALLY, BUT WITHOUT LIMITATION, LIABILITY FOR NEGLIGENCE OR STRICT LIABILITY IN TORT. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL COMPANY’S OR COMPANY’S SUPPLIERS’ LIABILITY UNDER THIS AGREEMENT EXCEED THE PURCHASE PRICE PAID FOR THE PRODUCT BY BUYER. BUYER ACKNOWLEDGES THAT THE PRICING OF THE PRODUCT AND THE OTHER TERMS AND CONDITIONS OF THIS AGREEMENT REFLECT THE ALLOCATION OF RISK SET FORTH IN THIS AGREEMENT AND THAT COMPANY WOULD NOT ENTER INTO THIS AGREEMENT WITHOUT THESE LIMITATIONS OF ITS LIABILITY.

The Software and documentation are provided with Restricted Rights. Use, duplication, or disclosure by the Government is subject to restrictions as set forth in this License and in DFARS 227.7202-3 or FAR 52.227-19, as applicable. Manufacturer is FEI Company, 5350 NE Dawson Creek Drive, Hillsboro OR 97124.
